Autism Specialist Support Team Leader

julie.stewart@norfolk.gov.uk

## My Job...

I have worked in the Autism Specialist Support Team since April 2005, first as a specialist support assistant and then as the team leader.

My role involves working with children, families, schools and other services to help achieve the best outcomes.

I am a lead trainer in Norfolk for The Autism Education Trust and am trained in PECS, TEACCH, Social Stories and Lego based therapy.

I work alongside the Neurodevelopmental service to deliver the Puffins parent course with Family Action.

## What I might do in school...

- Observations
- Consultations with staff and parents
- Working 1:1 or as part of a small group to build on social skills
- Offer practical strategies to support individuals with autism or social communication difficulties.
- Support setting up TEACCH approaches e.g. Visual Timetable / Workstation

## My Areas of Interest...

Supporting schools with structured teaching approaches.

## What is important to me...

Helping everyone reach their full potential.

## Hobbies:

I enjoy going to the cinema, theatre and music concerts.
