## My role...

To support schools to an improved provision for young people who face challenges with their learning.

Lead core consultation meetings with schools.

Work with staff in the Norwich and South Norfolk locality.

Working with students directly to assess their needs.

## What I might do in school...

Carry out observations.

Complete standardised and informal assessments.

Explore strengths and difficulties with learning.

## My Areas of Interest...

Developing social communication.

Improving literacy for all.

Supporting wellbeing.

## What is important to me...

For young people to be happy, learn well and flourish socially.

Working together to find ways forward.

## Other things about me

I love Norwich; I have designed embroidery kits based on Norwich landmarks. I enjoy jewellery making.
