

EPSS Specialist Learning Support Teachers (SLSTs)

Who we are:

We have a wide range of experience, qualifications and specialisms.

More on [SLSTs](#)

Children and young people are at the heart of all we do.

We are a team of Specialist Learning Support Teachers working with children and young people from birth to 25.

The **SLST Team** works with families, SENDCos, teachers and other professionals to make the most of educational opportunities for children and young people.

When we can help:

- If a child/young person is not responding to intervention.
- For specialist advice, an in-depth cognitive profile and individual strategies for support.

What we do:

- Consultations
- Observations
- Learning assessments
- Teacher surgeries / drop-ins
- Training
- Specialist teaching
- Access arrangements

How to access the team:

- Core Consultations
