

# Beryl Bond

SEMH Specialist Support Assistant

## My Areas of Interest:

Social, emotional and mental health

Special educational needs

Neurodiversity

## My Role:

I work as a specialist support assistant on the SEMH team which provides support for children, young people, families and staff.

I work predominantly with primary aged pupils.

I joined the service in 2018 after previously working as a teaching assistant supporting children with additional needs and then as a Parent Support Adviser.

## What I do in schools:

Interventions with pupils on a one to one basis or with a small group of children.

Supporting children during their transitions.

Supporting staff to help them understand the SEMH needs of their pupils.

## My interests

Theatre, walking, dogs and Disney.

## What is important to me:

My family my dog, my colleagues and my friends.
